Please accept this form as my official notification that I have stopped working in the Trade or Industry. Please resume my monthly pension benefits as soon as possible. I understand that if I received any checks in error (after I returned to work) that the overpayment will be recovered from my future pension payments as quickly as permitted by applicable government regulations.

Signature _____ Date _____

Suspension of Benefits Rule

These are the provisions of the Pension Plan governing Suspension of Pension Benefits for returning to work at the plumbing trade.

You can perform fewer than 40 Hours of Work a month, or in payroll periods falling within a calendar month, in our industry and still be considered Retired. But your benefit will be suspended on the first day of the month or payroll period following any reported month or payroll period in which you completed 40 or more Hours of Work (including self-employment) ,

1. in the same industry in which any employer was engaged when you retired,
2. in the same trade or craft in which you were employed while a Participant, and
3. that employment is within the State of Michigan.

Employment which may cause a Suspension of Benefits includes supervisory and managerial activities related to your trade. Your Benefit will remain in suspension until you again stop such working.

Under the provisions of the Plan, you must notify the Administrative Manager in writing if you become reemployed . **Once suspended, payments will not restart until you notify the Administrative Manager in writing that you have again terminated this employment.** After termination of your reemployment, your Pension Benefit payments will resume, but the lost monthly Pension Benefits will not be made up.

Please mail this form to UA Local 190 Pension Plan, 33035 Schoolcraft Rd., Livonia MI. 48150
